MILLA JULIA TROSVIG

Milla J. Trosvig

Dedication . . .

✓

We consider Miss Milla Trosvig a great teacher not only for having inspired in us a richer appreciation of mathematics, but also for the noble character and fine personality that she is. With handsome dignity, Miss Trosvig represents the highest degree of culture and refinement. With kindly understanding, boundless patience, and full confidence in the intelligence and integrity of her students, she has led us toward the greatest goals of all—self-discipline and the ability to think rationally for ourselves.

Miss Trosvig's long and devoted service to the youth of Hopewell is an indelible monument to democratic education. That we have shared with hundreds of others the rich opportunity of living within the scope of her influence, we are truly thankful.

In dedicating the 1942 KALEIDOSCOPE to Miss Trosvig, we are merely acknowledging—not repaying—our large debt of gratitude and appreciation to a great teacher, a splendid lady, a friend whom we shall long remember with love and respect.

—THE CLASS OF 1942

Foreword . . .

Our sole purpose and only theme in the production of this book is to depict and commemorate the intangible "Spirit of Hopewell High."

In this bitter period of world war, it is our conviction that the deepest patriotism is firmness in the right constancy in the ideals of brotherhood, freedom, and the dignity of decency. Merely waving a flag is not enough to prove that you are a good American.

To the extent that the "Spirit of Hopewell High" embodies the Ideal that must prevail at any cost; to the extent that the 1942 KALEIDOSCOPE symbolizes both the Spirit and the Ideal—in that measure are our efforts justified.

A Salute . . .

(Mr. Burroughs' Salute to the Graduating Class, delivered at the Junior-Senior Banquet on May 23, 1941, is repeated below, addressed now to the Class of 1942.)

Mr. Toastmaster,

Friends of the Graduating Class,

A few years from now, your happiest days at Hopewell High will be but shadowy memories. Ours is a confusing, fast-moving age, and the impact of each new set of experiences makes the past less and less colorful. The memory of this hot but happy evening, your pleasant recollection of a favorite class, or teacher, or school activity—all these will become dim as the years go by. Yes, and facts, figures, formulas—many of the details of your academic training will, all too soon, fade into a background of vagueness.

But what if you *do* forget facts and figures, names, dates, experiences which tonight seem so vividly a part of your equipment for life? What if you do forget these?

Let us hope that you have experienced more than good times and academic routine during your sojourn with us. Alma Mater's greatest lessons are those which are indirectly, informally taught—lessons which have at their heart the free American way of life as opposed to that pagan philosophy which is enslaving so many of our fellow humans in other lands. These quiet but great lessons we hope you have mastered thoroughly—though you may forget all else.

What is this greater instruction Alma Mater has endeavored to impart?

It is this

However long you may live, if, with open-mindedness and tolerance, you will always seek to know the Truth;

If, as you meet life's victories and defeats, you will always show modesty and level-headedness in success; courage and determination in failure;

If you will cherish Beauty in all its forms, and never become too hard or bitter to find real inspiration in Nature, Art, Human Personality;

If you will live your lives with love in your hearts for your fellow men, never allowing yourselves to become too busy, too important, or too indifferent to lend a helping hand to those who are weaker than you;

If you will always value high ideals and strong moral principles, living out your days as ladies and gentlemen of high honor and clean conscience;

If you will forever cherish Freedom of the human mind and spirit as a God-given birthright worthy of any sacrifice or defense

If you will live your lives in unfaltering devotion to these ideals, never forgetting the highest hopes and aspirations of your youth, never losing confidence in yourselves, *then*—regardless of your fortune or fate—your lives will be as rich and fruitful as they may be long. And you will have participated gloriously in that way of life which will, which *must* eventually defeat the forces of tyranny and destruction which are at large in the world today.

And now we stand near the parting of the ways. Your faculty salutes another class of Hopewell graduates. We have known you as willing students; we shall remember you as good friends. Soon each of you will receive from us a diploma which will be our vote of confidence that you will do your best to help build a better tomorrow. As you take your leave of us, it is with full hearts that we bid you:

Good luck Much happiness God bless you.

On Parting

A SONNET

By GENE DOLIN

The years we leave behind are not our best,
Although the memories ever tender glow.
Within our hearts, the years ahead we know
Are ones which we must enter now with zest.
I and all my classmates now are blest,
We have a chance which we cannot let go,
A chance to make our minds expand and grow.
We go prepared to work. For us, no rest.
Each teacher here has been a faithful guide;
We're thankful for their presence day by day.
And though we seemed ungrateful, you can bet
The lessons we have learned, we won't forget.
And so, dear classmates, as we leave just say,
"We go as we came in, side by side."

(This sonnet is the Class Poem of 1942)

Football

It may be justly concluded that Hopewell's relatively unspectacular football season in 1941 was nevertheless one of the Blue Devils' most successful efforts on the gridiron for a number of years. The 1941 combine was a team without stars, a

Pooky George Gets Away

team without an All-State representative, but at the same time a hard-working, hard-fighting, well-coordinated group of pigskin warriors which ended up in third place—led only by John Marshall and Granby, respectively—in the Class A conference of sixteen schools. The season's record of six victories, one tie, and two losses is a high tribute to Coaches Parson and Glass for inspiring that variety of teamwork which is after all the first aim of high school athletics.

HOPEWELL 7, BENEDICTINE 7—SEPTEMBER 19

The season opened with the Cadets from Benedictine, Richmond, on the Hopewell field. After a hard fought scoreless first half, Hopewell started a 42-yard march down the field early in the third period, culminating in a touchdown by Quarterback Dick Oliver. Butcher Hobbs kicked the extra point. The Cadets fought right back to score in the fourth, and two additional threats on the part of the visitors were of no avail.

HOPEWELL 36, VICTORIA 0—SEPTEMBER 25

With the spectators shivering in the rain and the news reporters crouched under the press tables, the Blue Devils won easily from a light but game Victoria team on the Hopewell gridiron. Pooky George's passing and Carlton Holland's received provided a thrilling combination throughout the game. One touchdown was scored by fast and shifty little Halfback George Bogese. Oliver accounted for two touchdowns; Holland, two; and Hobbs, four points from placement. The remaining two points of the final score were made by a safety.

Setting the Stage for Hopewell's First Touchdown Against the Crimson Wave

Football

HOPEWELL 13, WOODROW WILSON 6—OCTOBER 4

The Hopewell boys (to say nothing of a large number of females and adults) traveled to Portsmouth for the first Class A match, a night thriller in Portsmouth's magnificent new stadium. The Presidents halted the Blue Devils' ground movements, rolling up nine first downs to Hopewell's one, but the hosts had no answer to Hopewell's George-Holland passing combination. Two touchdown passes from Pooky to Carlton—one covering 60 yards on the second play of the game, the other sweeping for 40 yards in the third quarter—told the story of victory for the Devils. Hobbs placekicked one extra. The Portsmouth boys threatened constantly, but weren't able to reach pay dirt until the last minute of play.

HOPEWELL 14, PETERSBURG 0—OCTOBER 18

It was an inspired and enterprising band of Hopewell gridsters that handed the Crimson Wave neighbors a sensational whipping before a record crowd of over 5,500 thrilled spectators in the Blue Devils' own back yard on a memorable

Indian Summer Saturday afternoon. It was the first Wonder City victory over Petersburg since 1938. Win, lose, or draw, any game with Petersburg is memorable, but this one was particularly so because the onlookers witnessed an action-packed game in which the Hopewell brigade showed the highest peak of efficiency and coordination that the Blue and Gold supporters have seen in their football lads for many a year. The Parsonmen clicked in all de-

partments. After a scoreless first period, Holland broke through to block a Crimson punt, with Avedis Soghoian, Devil guard, recovering on the Wave 13. It was lucky 13 for Hopewell. On the next play, Oliver rammed right tackle to the six, crossing the T D stripe on the following play. Hobbs kicked true to form for the extra point.

Undaunted, the Petersburg boys in the third quarter fell back on a kicking game which kept the Hopewell followers breathless. The Wave fought its way to

Hopewell's one-foot stripe, but the fighting Devils' last-ditch stand held magnificently, finally punting out of danger. As the game drew to an exciting close, Hopewell's Frank Phillips, operating at end, raced into the clear at the Crimson's five-yard line, plucked an accurate pass from Pooky George, and ran unmolested over the invaders' goal line. Hobbs again proved his ability as a kicker by booting the ball high and handsome between the uprights for the final point.

HOPEWELL 6, HAMPTON 0—OCTOBER 25

Hopewell's mid-season down cycle began in Hampton on the Crabbers' field, albeit the Blue Devils emerged victorious from the bitterly fought engagement. It was a tough game between hard-hitting and stubborn opponents. Both teams literally limped from the field at the final gunshot. The highlight of the fight came late in the second period when Bogese, in one of the most thrilling plays of his career, took a Hampton punt on his own 27 and raced 73 yards for the tell-tale touchdown. Hobbs' attempt from placement failed.

JOHN MARSHALL 39, HOPEWELL 0—OCTOBER 31

"Rolling full speed ahead with all of the pulverizing precision of a meticulous machine, John Marshall's big Blue Bruisers soundly thrashed, trampled and trounced a surprised Hopewell High School eleven before 4,000 spectators at the City Stadium yesterday. . . . The statistics tell part of this brutal beating, but it takes more than statistics to describe the physical pounding to which Hopewell was subjected. . . ."

Yes, Mr. Bill Heartwell of the *Richmond Times-Dispatch*, it takes more than statistics to tell the story.

Cripples from the Hampton game, with Holland out and mainstay tackles Massey and Slovic badly injured, facing the most formidable foe of the State, Hopewell was forced to use twelve completely green reservemen during the game. Oliver and George both put in fine, all-round play. The game proved one point clearly—that the Blue Devils can take defeat and still look the victors straight in the eye, giving their all until the final whistle.

A toast to the champs! Welcome to Hopewell in 1942!

HOPEWELL 13, DANVILLE 12—NOVEMBER 7

The Blue Devils entertained George Washington of Danville on the home field. Bogese scored both touchdowns for Hopewell; Hobbs' automatic toe provided the margin of victory for Hopewell. Standing out up front defensively were Guard Walter Lastovica, Center Raymond Dudley, Soghoian, and Hobbs, with Bogese also coming up for his share of tackles.

Bouquets for "Reddy" Raymond of George Washington! Even after being almost sidelined by a leg injury when the automobile in which he was traveling to Hopewell overturned, "Reddy"—a triple-threat back who did everything but make the pigskin talk—put in a beautiful performance for the opponents.

HOPEWELL 27, ALEXANDER 6—NOVEMBER 14

Playing in Hopewell, the Blue Devils scored a convincing victory over the George Washington boys. Oliver turned in one touchdown, George one, and two successful passes from George to Phillips pushed the score up by twelve points.

THOMAS JEFFERSON 25, HOPEWELL 13—NOVEMBER 20

The highlight of this Thanksgiving morning contest on the Tee-Jay field in Richmond came in the second period when Bogese shot a 30-yard pass to Halfback Jimmie Webber who sprinted 50 yards to score. Jimmie had been putting in faithful service all season, and Coach Parson has declared him his most improved back of the year. The other Hopewell touchdown was made by George in the last minutes of play.

And thus ended the season—six won, two lost, and one tied. The only losses and tie came at the hands of the three Richmond schools contested.

RALPH RACKSTRAW AND JOSEPHINE

The Story of "H. M. S. Pinafore"

MISS LEGRAND AND MRS. RIGDON

ACT I

Her Majesty's Ship, *Pinafore*, is anchored in the harbor at Portsmouth, England. The sailors are busy scrubbing the decks for the expected arrival of Sir Joseph Porter, "ruler of the Queen's Navy." Little Buttercup, a bumboat woman who is by no means as small as her name would imply, comes aboard with a stock of "snuff and tobaccy and excellent jacky," not to mention "excellent peppermint drops." It transpires that a handsome young sailor, Ralph, is in love with the Captain's daughter, Josephine. She, however, is to be betrothed to Sir Joseph Porter, who duly arrives attended by "his sisters and his cousins and his aunts." In the meantime, Ralph plans to elope with Josephine, the crew assisting. The plot is overheard by Dick Deadeye, a lugubrious member of the crew, who cannot keep a secret.

ACT II

After Captain Corcoran sings a serenade to the moon, Little Buttercup comes to him and reveals her affection. He tells her that because of his rank he can only be her friend, but she hints darkly that a change is in store for him; saying that "things are seldom what they seem." Sir Joseph returns, complaining that Josephine does not favor his suit. The Captain comforts him by averring that she is awed by his lofty station and suggests that he plead his cause on the ground that love levels all rank. Still Josephine does not respond, for her heart is set upon Ralph. Dick Deadeye reveals the elopement plan, and he and the Captain lie in wait for the crew, "Carefully on tip-toe stealing." The elopers are captured, and the Captain is so exasperated that he swears, using a "big, big D" which is overheard by Sir Joseph Porter. For this serious breach of morals, a horrible example of depravity before the whole crew, the Captain is ordered to his cabin. Ralph is ordered to the dungeon cell in chains. Affairs are interrupted by Little Buttercup, who discloses her secret, telling how the Captain and Ralph had been accidentally exchanged while they were both babies. Whereupon, Sir Joseph sends for Ralph and makes him Captain, and at the same time reduced Corcoran to Ralph's former humble grade of "able seaman." Now, since it is out of the question for one of Sir Joseph's exalted station to marry the daughter of a mere seaman, his Lordship nobly consents to the marriage of Ralph and Josephine. The erstwhile Captain consoles himself with Little Buttercup.

Basketball

When the call for basketball candidates was issued for the 1941-1942 season, only three lettermen answered; they were Harris, George, and Goldsmith. Along with these three lettermen were a few reserves, and a group of inexperienced players. The group of boys showed plenty of spirit and they were willing to learn.

The team started out very slowly and rugged this year and gradually improved, making it tougher for the opponents. The first part of the season the team just couldn't get going, but after exams the team showed up pretty well. The game that brought glory to the team was the startling 39-23 victory over Thomas Jefferson in the next to the last game of the season.

Basketball

Out of 14 games the girls won seven, lost six, and tied one. Many of last year's squad members were lost at the beginning of the season. Due to this, the season wasn't so good as it has been. The girls, many inexperienced, showed a great improvement as the season advanced.

Scoring honors went to Delma George, who averaged about 15 points per game. The custom is to elect a captain for each game, and at the end of the season an honorary captain is elected. Delma was made honorary captain.

A Note of Thanks

Without the combined interest, enthusiasm, and faithful hard work of many invaluable "silent partners," the publication of this book would have been impossible.

A few of these "powers behind the throne" we call by name.

Mr. and Mrs. Fred Minardi of White Studio in Richmond have again shown us that friendly personal interest and unsolicited cooperation which have for several years made all our dealings with them so completely pleasant. Our thanks to these fine friends for relieving us of many a headache!

The strained conditions of wartime have presented new limitations and difficulties in yearbook publication. For their genuine personal interest in our many technical problems, and for their exemplary gentlemanliness in all our business relations with them, we express our deep gratitude to Mr. Lacy B. King, Mr. Ernest P. Sutton, and Mr. J. E. Runnels, Jr., all of the McClure Company in Staunton.

And finally, to our friend and sponsor, Mr. Joe Burroughs—we voice a heart-felt *Thanks for everything!*

—THE STAFF.
